

**REAL PEOPLE,
REAL NEEDS,
REAL ANSWERS TO PRAYER!**

Jobs come quickly!

I have been a full time, mature student, studying horticulture for the past 2 years. I know that my God is 'Jehovah Jirah', the God who provides, and I prayed that he would provide employment for me while I was at college. I am recently married and wanted to provide for me and my wife in a practical way. Thank God, this past month I have received 2 full days work on a long term contract, with a 3rd day pending. I also have a few jobs that I am having to put on a 'waiting list' until I finish my course in June. I am a walking, living talking testimony of God's swift goodness. I live in the Word and will continue to do so even more fervently!!

79-Year-Old's health restored

About 4 years ago I developed a bad cough and was treated with so many kinds of antibiotics. I had c.difficile – A very nasty disease which caused me to lose 2 stone in weight in 4 weeks. I was told not to have antibiotics anymore. After receiving treatment from a consultant involving inhalers by machine which I had to take with me all the time. I have

always been a person who takes the word of God as my medicine. I got the elders of the church to pray for me, also I spoke out Psalm 91 every day and have spoken out against C.diff, and bronchiastosis. Praise the Lord that the cough has gone, also a few weeks ago I had a fall and damaged my left knee. It was very painful. The same treatment as before: prayer and the word, and my knee is fine. Praise God, Jesus Christ is the same; Yesterday, Today and Forever.

Emotional healing experienced through prayer

Throughout my life I would smile, yet I was broken inside. I would have a smile, but I was hurting inside from what I had experienced growing up. I know and stand on the word that says, "in my weakness, is His strength". I don't know where I would be without the Lord. I went up for prayer a couple of weeks back and God supernaturally met with me. He showed me that I was His 'treasure' and that He loved me unconditionally. We all have our flaws, but Jesus said, "in my father's house there are plenty of rooms". There is a place for everyone of us – there is a place for you and I!! I am now at a place where I can say, "It's no longer I that liveth, but Christ that liveth in me! Amen

T.I., Wickford
